

Natural Accelerator™

| With cayenne, green tea, cinnamon and ginseng |

Rev up your body's natural fat burning ability.

Say goodbye to unwanted pounds and inches and hello to a decrease in appetite and improved muscle tone with Natural Accelerator.

What should I know about Natural Accelerator?

This breakthrough formula contains only the most carefully selected natural thermogenic ingredients such as cayenne, green tea, cinnamon, and ginseng to help your liver metabolize fat quickly helping you lose weight and inches—without the stimulants.

Natural Accelerator contains natural herbs, roots, plants extracts with no added caffeine, ephedra or ma huang.

Includes Royal Jelly extract, a source of natural B-vitamins and a rich supply of flush-free niacin. Niacin is an important B vitamin that's used by your body to turn carbohydrates into energy.

How can I benefit from taking Natural Accelerator?

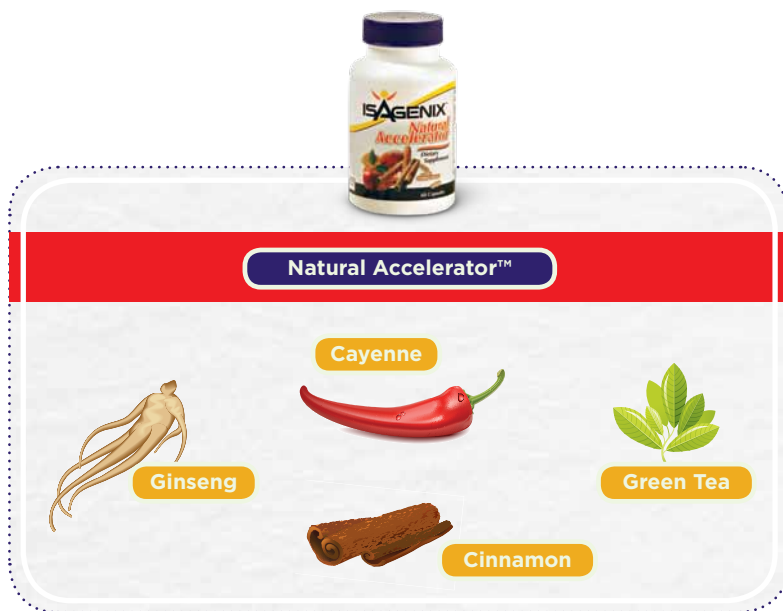

Natural Accelerator helps reduce appetite. It also contains fat-burning nutrients, which help to support the liver's ability to metabolize fat quickly.

It also contains antioxidants, which help your body fight stress and the effects of free-radicals.

ISAGENIX®

How does Natural Accelerator™ compare to the competition?

Natural Accelerator contains natural ingredients, including cayenne pepper, which can raise your metabolic rate by as much as 50%. Other formulas—even those from other MLM's—may contain similar ingredients, but most have caffeine or other stimulants to power your metabolism.
